

## *A Tenant's Responsibilities*

### *You need to:*

Keep the place clean (or get someone else to...Mum? Dad? Anyone?)

---

Tell the landlord or real estate agent if you cause any damage (and pay to fix it)

---

Tell the landlord or agent if something needs repair

---

Do not make changes, like putting in nails or picture hooks, without permission

---

Pay for excess water

---

Do not use the premises for illegal stuff (so, no hydro set-up in the cupboard then)

---

Do not interfere with your neighbours' peace and privacy
